The Friends of Stokes State Forest is a 501(c)(3) non-profit organization. Our objective is to help preserve, protect, and enhance the natural and recreational resources of Stokes State Forest for present and future generations; to sponsor recreational programs; to coordinate volunteer work projects and to conduct educational and recreational activities.

Your membership will allow us to fund these activities. As a new organization, we are also anxious to attract members who would like to actively participate in our projects. This membership will be effective immediately and will run through the end of the current calendar year.
